Subject: ESReDA Membership Application

Paris, March 26th, 2007

Dear Colleague,

You have expressed your interest to join ESReDA International Association and we are very honoured to receive your expression of interest. I am transmitting to you a Membership Application Form (MAF) where the procedure of application for membership is fully described. You are kindly asked to fulfil the MAF and join brief CV's introducing the applicant society (organisation/institute/university/...) and the contact persons as well.

Your application will be presented for examination by ESReDA Directors during their next Board of Directors meeting foreseen on May 7th, 2007, in Sardinia, Italy, during the 32nd ESReDA Seminar events (<http://www.esreda.org>). If the Board of Directors approves the demand for ESReDA membership, it will be presented for validation to ESReDA General Assembly, foreseen for the following day.

On behalf of all ESReDA members, I am honoured to receive your expression of interest and looking forward for your fruitful cooperation in order to increase ESReDA radiance.

Kindest regards

ESReDA General Secretary

Mohamed Eid

ESReDA

European Safety, Reliability & Data Association (ESReDA) is a European Association established in 1992 to promote research, application and training in Reliability, Availability, Maintainability and Safety (RAMS). The Association provides a forum for the exchange of information, data and current research in Safety and Reliability and a focus for specialist expertise.

ESReDA carries out Project Activities. Each project has a specific theme and last 3-4 years. By the end of the project, the Project Group produces a book and organises a Seminar.

Some 10 books have been published, up today. Currently, ESReDA has 4 Project Groups working in parallel on; Aging Data, Structure Reliability, Decision Analysis and Transport.

ESReDA organises 2 European Seminars each year. Seminars' proceedings are edited by the JRC-ISPRA, Italy.

All European community is represented in ESReDA membership. More effort is employed to implement ESReDA in Eastern Europe.

Membership of ESReDA is open to organisations, private or governmental institutes, industry researchers and consultants, who are active in the field of Safety and Reliability. Membership fees are currently 1000 EURO for organisations and 500 EURO for universities and individual members. Special sponsoring or associate membership is also available.

All queries about new membership applications should be made to ESReDA secretariat:

ESReDA membership application form

Membership

Article 4: Categories of Members

The Association consists of:

1° Effective Members

Effective Members are subsequently referred to as “Effective Members”. Effective Members are legal entity or individuals. They have the right to vote and are eligible for the various functions of the Association.

They pay an annual membership fee or render services, conform with the internal rules, to the Association.

2° Associate membership

The Associate Members can be legal entity or individuals. They participate to the project groups and are invited to join the General Assembly as mere observers. They are not entitled to voting rights and are not eligible.

3° Sponsoring membership

The Sponsoring Members can be legal entity or individuals. Sponsoring Members are expected to contribute to the funds of the Association with free services or assets. They may attend General Assembly as mere observers. They are not entitled to voting rights and are not eligible.

4° Honorary membership

These members are individuals. They have rendered or actually render particular services to the Association. Honorary members are invited to the meetings of the general Assembly and of the board of directors as mere observers.

All members are subsequently referred to as “Members”.

Article 5: Commitments of the Members

Each Member commits itself to:

- promote the objectives of the Association;
- agree with definitions and procedures aiming at the exchange of information and experiences concerning Safety & Reliability and data;
- take a fair share in the activities of The Association and attend meetings;
- respect the provisions of these statutes and the ones contained in the internal rules;

Article 6: Admission of Members

1° To become Effective Member, an written application, mentioning the motivations of such application and including the commitment to respect the statutes of the Association. The candidate will admitted as Effective Member by decision of the General Assembly. The official applications rejected by the Assembly may be resubmitted six months after the date of rejection at the earliest.

2° To become Associate, Sponsoring or honorary Member, a written application must be submitted to the board of directors or can be proposed by a Member. The General Assembly decides upon their admission. The official applications rejected by the Assembly may be resubmitted six months after the date of rejection at the earliest.

Article 9: Membership fee

The amount of the annual membership fee paid by the Effective Members shall be fixed annually by the General Assembly in accordance with the proposal of the board of directors, not later than each May of each year, to apply for the following calendar year. If a decision was not made in time, the amount of the membership fee is renewed for the following year.

The annual membership fee will be due by Members who have asked voluntary resignation or for the ones excluded, for the year when such voluntary resignation or exclusion takes place.
